

Lancelot

3000

Take your senses on a holiday. Relinquish your worries, stresses and tensions. Allow the water's anti-gravity action to render you weightless. Float to that space where all outside thoughts are washed away.

2007 Dynasty Spas, Inc. Dynasty Spas reserves the right to make product enhancements and modifications.

The digital topside control panel allows you to adjust every element of your spa without moving a relaxed muscle.

Two 230V 50hz 2 speed motors with 5.0bhp wet-end, designed for high flow and high power.

Reverse Pull Neck Jets promise the perfect neck and shoulder massage.

An oversized Master Massage jet located in the footwell, ensures the ultimate foot massage.

Oversized plumbing allows increased water flow and pressure resulting in a stronger and more effective jet massage.

A high efficient and easy to use filtration system assures users of optimum hygiene.

Dynasty's antimicrobial treated fibers within the filter, improve filtering efficiency and reduce maintenance.
