6 Speaker DynaSound™ CD Gecko™ in.tune™ Stereo System with Remote Control	N/A	•	N/A	•

The digital topside control panel allows you to adjust every element of your spa without moving a relaxed muscle.

Two 230V 50hz 2 speed motors with 5.0bhp wet-end, designed for high flow and high power.

The optional 6 Speaker Dyna-Sound™ AM/FM CD/Stereo System provides excellent entertainment.

An oversized Master Massage jet located in the footwell, ensures the ultimate foot massage.

Oversized plumbing allows increased water flow and pressure resulting in a stronger and more effective jet massage.

A high efficient and easy to use filtration system assures users of optimum hygiene.

Dynasty's antimicrobial treated fibers within the filter, improve filtering efficiency and reduce maintenance.
