• = Standard Feature

Spa model indications may not be exact. Measurements may vary.

The digital topside control panel allows you to adjust every element of your spa without moving a relaxed muscle.

Two 230V 50hz 2 speed motors with 5.0bhp wet-end, designed for high flow and high power.

The 6 Speaker Dyna-Sound™ AM/FM CD/Stereo System provides excellent entertainment.

Oversized Master Massage jets located in the footwell, ensure the ultimate foot massage.

Oversized plumbing allows increased water flow and pressure resulting in a stronger and more effective jet massage.

A high efficient and easy to use filtration system assures users of optimum hygiene.

Dynasty's antimicrobial treated fibers within the filter, improve filtering efficiency and reduce maintenance.
